Onimusha Dawn Of Dreams Pc Password Crack Since the demo version of "Onimusha Dawn Of Dreams" is patched so that it now plays through to the end after beating the game, I thought it wouldn't make much sense to post a walkthrough for the demo, so I'll just post a save file that I've used to beat the game. A: The password is: pauldelphin 09 To get to him: There is an Ultra Med LV 1 on the boat to your right, ripe for the looting. To get to him: His name is Pauldelphin A: Perhaps a little late for this answer, but for convenience and for posterity, I'll provide the password found in comments by @Kouli. Onimusha Dawn Of Dreams Pc Password Crack: These are helpful as well: 18179 (UP) 72839 (UP) (60889) (UP) In the first level of the first mission, I found the following under a staircase. For the password look for the keyboard/voice console/puzzlebox. In the first level of the second mission, I found the following under a crate. Five of these puzzles must be done in order to find the password. In the first level of the third mission, I found the following under a crate. Three of these puzzles must be done in order to find the password. If you're up for it (but only if you have access to a PlayStation2), here's the solution. Onimusha Dawn Of Dreams Pc Password Crack I used the following save to beat the game. 1309 For additional help and much more, see @Kouli's response. Kouli, if you're reading this, you can actually get more hints on the official website (don't have it, as a PS3 unfortunately, but saw
